## ALL OF OUR PROGRAMS ARE AVAILABLE TO ALL REGISTERED SCOUTS WITHOUT REGARD TO RACE, COLOR, RELIGION, DISABILITY, OR NATIONAL ORIGIN

**Facilities:** Our camps are beautifully located in natural surroundings. All of our Council camps undergo Health Department safety inspections prior to and during operation. Each of our camps is BSA Nationally Accredited, meaning we pass inspections for safety, cleanliness, program, and facilities. Copies of health inspection reports can be obtained by writing to the respective Health Departments listed below.

**Staff:** Each of our camping programs is administered by a National Certified BSA Camp Director and all key staff are trained in their respective areas of responsibility. Our staff members are carefully selected and reflect the principles established throughout the Scouting movement.

**Forms:** All required forms, including medical forms, can be found on our website at [twinriverscouncilbsa.org](http://twinriverscouncilbsa.org), then follow Camping – Summer Camps – Camp Forms.

# Please be aware . . .

**Refund Policy:** Months before camp opens, we do extensive planning, pre-camp purchasing and staff contractual agreements, among other things. Due to these types of commitments, it is not practical to give full refunds. All refunds will be assessed a minimum of \$50 for fixed costs already incurred. Refunds will be considered for the following cases only (NO EXCEPTIONS):

**Summer School:** Documentation from the school must be provided with the request, in writing, and must be submitted before, but no later than July 1, 2010. Scouts should be encouraged to make up in a later week.

**Medical:** Documentation from the physician must be provided with the request, in writing, and MUST be submitted at least one week prior to the Scout's scheduled arrival at camp.

**Death in the Immediate Family:** A letter with the request, in writing, from the parent or guardian.

Non-qualifying refund requests include, but are not limited to: sports (of all kinds), vacation, homesickness, failure to show, Scout changes his mind, travel events, etc.

All requests must be made in writing, include the required documentation, and must be submitted prior to July 1, 2010. Please advise whether the refund check should be made to the family or the unit.

A camper removed from any Twin Rivers Council camp for disciplinary reasons forfeits all fees.

Parents and Scout units are provided with this policy so they can make a decision on withdrawing from camp and understand the consequences beforehand.

**Camperships:** It is the intention of the Twin Rivers Council to assist Scouts to participate in Summer Camping Programs conducted by the Council. Unfortunately, this is sometimes not possible due to financial limitations. The campership program is NOT normally intended to extend a camping experience beyond a single week or to provide more than 50% of the Regular Camp Fee

**Fee Cost:** All applicants must submit an application providing the information requested on the form. This request must be submitted no later than May 1, 2010. NO EXCEPTIONS. When approved, campership credit will be allocated to the CAMP. All approvals and denials will be in writing following the appropriate campership review.

## Approvals based on . . .

- Demonstrated financial need;
- Availability of other funding sources;
- Campership money available;
- Applications considered in the order they are received (first come; first served).

Campership applications are available at the Council Service Center and online at: [www.twinriverscouncil.org](http://www.twinriverscouncil.org)

**Dietary Restrictions:** Please contact the camp director at least two weeks in advance to make special arrangements.
