

BADEN POWELL CAMPFIRE AREA  
**ADOPT A BENCH CAMPAIGN**  
 ROTARY SCOUT RESERVATION

This summer Rotary Scout Reservation will be unveiling the Baden Powell Campfire Area, a dedicated campfire space to enhance the summer camp program at RSR. The Baden Powell Campfire Area is a natural amphitheater nestled in an isolated and picturesque wooded area, yet it is also close enough to the parking lot to support easy access for parents and visitors on Family Night.

To further develop the campfire area, and improve comfort for our Scouts and guests, we would like to install terraced bench seating. *To make this dream a reality we need your help!*

Please consider making a contribution today to the Baden Powell Campfire Area Adopt A Bench Campaign. Each bench (pictured below) costs \$250. For each \$250 contribution you make, we will affix to one of the benches a brass nameplate with the message of your choice. The Adopt a Bench Campaign is a great way to recognize your Troop or Crew, or a dedicated Scout or Scouter.

Each contribution will help us to achieve our goal. All contributions of \$50 or more will be recognized on a plaque which will hang in the RSR Dining Hall for all to see.

Questions? Contact Ranger Joel Uline for more information: [ranger@rsrbsa.org](mailto:ranger@rsrbsa.org)

**Don't Wait!**

The first order of benches must be placed by June 1st to have them arrive before camp.

Sponsor yours today!
