Rotary Scout Reservation

Unit Leader Registration

Unit # _____ Number of Scouts: _____

Campsite: _____

For security and administrative reasons, it is important that we know what adults are on the property each day. Please indicate the names of the leaders who will be with your troop throughout the week.

Each troop is required to have a minimum of two leaders, with an additional leader required for every 8 Scouts beyond the first 16. All leaders required for coverage are free. In order to defer the cost of food and basic supplies, the fee for additional leaders is $70 per adult for a full week. This fee may be prorated by meal or day.
